SLA Website 3.0 (prototype) & SiteFinity Upgrade	
Project Plan Updated	June 15, 2021
Target Completion Date:	Cancelled
Owner:	James Greene
Support Personnel	- Vani Ganti - Nadeen Saad (IT) - Mitchell Mercurio (IT)
Scope:	This project will result in creating prototypes to redesign and modernize SLA Website that focuses on serving our members, the industry, and other interested parties in a more interactive and effective manner. This project will include: - A collaborative creative design process to obtain and determine the look and feel of the new website with SLA leadership - Developing the prototypes for new comprehensive and modern look for the website on top of the content management system (CMS) which gives the SLA staff greater control over the content, structure, and organization of the new website - Updating the CMS to the latest version available and upgrading to an edition which gives the SLA more features and control over managing the website.
Vendor (Y/N):	Yes. Kikoda LLC.
Budget:	$52,000
Budget Line Item(s) Where Funding Exists:	6282 – Communication Medium
Benchmark:	The main benchmark for this project is to create prototypes for redesign and modernize the SLA Website while also upgrading the content management system (CMS) - SiteFinity to address various limitations and frustrations for both the SLA and site visitors.
